

Children's Services Center's Wish List

- ☆ **3 rocking chairs** to soothe babies in child care and model parenting skills for inexperienced parents
- ☆ **1 tricycle path** so children in child care can develop large motor skills by riding bikes and other wheeled toys outside
- ☆ **4 child-themed area rugs** for circle-time activities in child care
- ☆ **Many computers and flat screen monitors** to help staff, children, parents and child care workers improve their lives educationally and economically.
- ☆ **Carpeting** to create more welcoming environments in our offices
- ☆ **Child safety latches** for doors and toilets, outlet covers, baby gates and boppy pillows to help struggling parents keep their children safe.
- ☆ **Door prizes, refreshments and speakers** for classes that empower burdened women with the skills they need to make it through hard times
- ☆ **Abundant volunteers** to rock babies, play with children, share their expertise, help with office work
- ☆ **1 digital camera** so parents and children can treasure memories of activities that have enjoyed together
- ☆ **4 CD players** with headphones so children can peacefully listen to uninterrupted stories and music
- ☆ **1 set of hanging bar playground equipment** so children can monkey around as only they know how
- ☆ **Scores of books** so infants, toddlers and preschool children can experience the joy of literacy
